“ Dear Doris, please accept our sincere condolences for your loss. Words can't express how grateful I am that you and Terry moved next door to me and my family in Kingsland, Texas. Terry always showed us kindness and respect. I enjoyed his lightheartedness, his care for his garden, his smile and his willingness to offer his help in whatever way that he could to me and my family when we were in the process of our move.

When you'all first moved next door he was so willing to give away his storage bins to us as he knew we were preparing for a move; he also gave me a large bag of clothes to give away to the church. I remember how he tended to the needs of his and your lovely dog, Dallas. It saddens me to see someone like Terry taken from us because its people like Terry that make our world a much better world to be in. However, I'm confident we will see Terry someday in Heaven.

I'm glad he is not suffering anymore and I'm glad for him that he is with his Savior now and those of his family members who have left before him. We will always carry good memories of Terry, our very own special neighbor during our time as your next door neighbors in Kingsland, Texas!

God richly bless you and your family Doris. We love you and our prayers are with you. Call us anytime if you want someone to talk to or if you need something that we can help you with. Love, Nancy, Wayne and Young Wayne Davis
