“ Not only was Jake my cousin but he was my friend, I also worked with Jake, we were in different crafts but there were times when we worked pretty much side by side, He was so funny, He would ride by me and make funny faces, and when he would hug me he would Pick me up, he was so tall, He talked about his beautiful wife and his two daughters all the time, He loved to pick on me at work and I loved it, I am going to miss my big funny buddy. Love you Jake
